EDITORIAL

The Senior Class of 1959 is attempting to bring to you, through our annual, a pictorial record of all the curricular and extracurricular activities of the school year. We feel proud to present you with this, the thirtieth edition of the Whitefeather.

We wish to thank the merchants of the surrounding area who have placed advertisements in our yearbook. Without their co-operation our yearbook would have been incomplete.

We have many fond memories of the teachers whom we have met and worked with through the years. We feel that they have helped us through our difficulties more than they have realized.

We wish to thank you who have purchased this yearbook. May it be a lasting remembrance of the school year 1958 and 1959.

Linda Presar

SCHOOL SONG

We're loyal to you, Buckland High
The red and the white is our cry,
We'll back you to stand
With the best in the land
For we know you are true
Buckland High. Rah! Rah!

Fight on is our cry to you, team,
Victory for us, it is nigh
Our team is our fame protector
They'll bring us out a victor
We're for you, Buckland High.

Fling out that dear old flag of
Red and White
Bring out your sons and daughters
Fighting for right
Like men of old, on giants
Placing reliance, shouting defiance
Os-key-wow-wow,

Amid the broad green plains that
Nourish our land,
For honest labor and for wisdom we stand
And unto thee we pledge our heart and hand,
We're loyal to you, Buckland High.

SENIOR CLASS PROPHECY

Boarding Vanguard 20 for Mars, after fifteen years of graduation, I thought the pilot looked familiar to me; of course, it was a former classmate, GARRY HOLTZAPPLE. After talking with him a few minutes I found that his wife, DONNA JEAN KEYSOR, and their three children were fine. Advancing farther to my seat another familiar face appeared before me. GALE FRY was traveling to Martian City for a performance at the Scorpion Club as solo pianist.

Landing in Martian City later in the evening, I couldn't resist going to hear Gale play. After his performance I began looking around, finding MARILYN DEBELL seated a few tables away. After exchanging glances, she came over to say that she was a private secretary to a rocket dealer. She was on her vacation and had read in the news that Gale was appearing in Martian City and she decided to hear him.

Time passed quickly and my stay came to an end. I decided to go to Pluto where I attended church, finding LARRY WHETSTONE as the pastor. He told me after services that CHESTER BARRETT had a used space ship lot in Sirius and that PAT McBeth was his wife and secretary, and JERRY SIMS was his mechanic.

After visiting Pluto, I traveled on to Venus where LINDA PRESAR was doing fine with her five children and handsome husband whom she had met at college. As we talked and recalled our former classmates, she told me that PAT ROSTORFER was a waitress at the restaurant down the street, and that VERNON BOWERSOCK had joined the "Space Cadets".

Returning to earth, I went to Houston, Texas, to visit my brother-in-law, NED DOERING, who was doing fine on a big ranch with CHARLES McPHERON as his foreman. After chatting a few hours I was glad to know that DON ZIEGENBUSCH was the game warden for their county.

My vacation ended, I returned to Cleveland, Ohio, to start a teaching career at a new school where GENE GRINER was the athletic director.

SENIOR CLASS HISTORY

In September of 1947, eleven boys and five girls entered the first grade. Under the excellent guidance of Miss Margery Culver, we became accustomed to school. During the first eight years of our schooling, the following students joined our class: Jane Kentner, Jerry Parlette, Charles McPheron, Donna Jean Keysor, Billy Gene Klinger, Marilyn Debell, Kenneth Trabert, Phyllis Becker, Phillip Lane, Bob Brandehoff, Gene Griner, Pat McBeth, Roger Sunderland, and Linda Presar. Those withdrawing from the first eight years were: Jerry Parlette, Billy Gene Klinger, Kenneth Trabert, Phillip Lane, and Bob Brandehoff.

After eight years of hard study we were prepared to enter high school.

In September of 1955, we entered high school with "freshmen initiation." At the beginning of the year we had a bake sale and a hay ride. The class officers were as follows: President, Pat McBeth; Vice President, Gene Griner; Secretary, Jane Kentner; Treasurer, Chester Barrett; Reporter, Linda Presar. Mr. Whiteaker was our sponsor.

As the Sophomore Class of 1956-57, we sponsored several events. We has a spaghetti supper and a dance. We also sold religious plaques. The officers elected at the beginning of the year were as follows: President, Larry Whetstone; Vice President, Jane Kentner; Secretary, Pat McBeth; Treasurer, Garry Holtzapple; Reporter, Gene Griner. Mrs. Brown was our class sponsor.

In the junior year of high school, we were quite busy. November, 1957, we presented a class play, "Best Foot Forward." We sold programs and were in charge of the cloak room at the basketball games. May, 1958, we gave a prom for the Senior Class. Our officers were: President, Jane Kentner; Vice President, Chester Barrett; Secretary, Pat McBeth; Treasurer, Linda Prasar; Reporter, Donna Jean Keysor. Our class sponsor was Mrs. Brown.

We started our final year of high school, September 4, 1958. The officers were: President, Chester Barrett; Vice President, Ned Doering; Secretary, Pat McBeth; Treasurer, Jane Kentner; Reporter, Larry Whetstone. October 10, 1958, we presented the class play, "They Gave Him a Co-ed." We held a carnival; attended the prom the Juniors had planned for us; took a trip to Washington D. C. and New York; edited the annual; and sponsored a fried chicken supper in the school cafeteria.

During the high school years, members of the class took an active part in the activities of the school, such as: baseball, basketball, chorus, cheerleading, band, and glee club.

May 21, 1959, we received our diplomas, which marked the end of our twelve years of school.

This is not the end, but the beginning of our adult life. We are all happy that we are being graduated, but now comes the time of responsibilities. Some expect to go to college for a higher education, in order to become more experienced in the field of work that they want to do; others plan to go to work directly after graduation.
